

EXCEL WORKSHOP 2025

Excel Workshop – Organized by Nivesh, The Finance and Investment Cell, Sri Aurobindo College

Nivesh – The Finance and Investment Cell of Sri Aurobindo College, University of Delhi successfully hosted an **Excel Workshop on 16th February 2025 at 2:00 PM via Google Meet, featuring CA Shubham Dosi**, a renowned Chartered Accountant and Assistant Manager-Finance at M/s Jash Engineering Limited. The session aimed to equip students with essential Excel skills, particularly focusing on financial analysis, corporate applications, and data visualization.

The session began with a warm welcome, setting the stage for an engaging and insightful learning experience. Mr. Dosi, an expert in corporate finance and financial reporting, broke down the fundamentals of Excel, making it accessible for both beginners and advanced users. He explained how Excel plays a crucial role in the corporate world, especially for finance professionals and Chartered Accountants. From financial modeling and data analysis to budgeting and auditing, he highlighted how Excel serves as a powerful tool in professional settings.

Throughout the session, Mr. Dosi covered essential formulas such as **VLOOKUP, HLOOKUP, INDEX-MATCH, IF functions, and Pivot Tables**, demonstrating their practical applications in financial analysis. He also introduced several time-saving Excel shortcuts, helping students enhance their efficiency and workflow. Additionally, he delved into data visualization techniques, showcasing how dynamic dashboards, charts, and Power BI integrations can make financial data more comprehensible and impactful.

A key highlight of the workshop was the live demonstrations, where Mr. Dosi guided attendees through real-world financial scenarios. He showed how Excel is used for financial forecasting, auditing, and decision-making, ensuring that participants could grasp its real-

world significance. The interactive nature of the session encouraged students to ask questions, leading to an engaging Q&A round where Mr. Dosi provided valuable insights on automation, data accuracy, and corporate finance applications.

The workshop was an enriching experience for all participants, offering them a deeper understanding of how Excel can be leveraged for professional success. Mr. Dosi's ability to simplify complex concepts and provide hands-on learning made the session both practical and impactful. The event **reinforced Nivesh's commitment to bridging the gap between theoretical knowledge and real-world financial expertise**, empowering students with skills that are crucial for their future careers.
